Accident

Arco

won't be long before i'm old and i'd like
to think that i was in control of my life
but i can't make it change, can't break
the pattern
i'm waiting for an accident to happen

you're so beautiful i just have to laugh you've got everything a girl could ever have but how to tell you that i can't imagine i'm waiting for an accident to happen

tried so hard to find a voice inside me but nothing's like the ones i heard inspire me all the words i thought i'd find i haven't i'm waiting for an accident to happen
