Arctic Monkeys

1. I wish you would have smiled in the bakery
or sat on a tatty settee
at some mutual friend's gathering
and the more you keep on looking the more it's hard to take
love, we're in stale mate
to never meet is surely where we're bound
there's one in every town
just there to grind you down

2. I wish I would have seen you in the post office
well maybe I did and I missed it
too busy with a mind on clever rhymes
why not the rounders pitch or the canteen
you're slacking love, where have you been?
Just had to go and wait until tonight
so give me the invite
don't worry it's alright

R: I wish I would have seen you down in the arcade
sipping on a lemonade in the paper cup and chewing on the st
raw
and I wish I would have seen you in the bakery
but if I'd seen you in the bakery you probably wouldn't hav
e seen me
