

# Do I Wanna Know?

Arctic Monkeys

Have you got colour in your cheeks?  
Do you ever get the fear that you can't shift the tide  
That sticks around like something in your teeth  
And some aces up your sleeve  
Have you no idea that you're in deep  
I dreamt about you nearly every night this week

How many secrets can you keep?  
Cause there's this tune I found that makes me think of you somehow

When I play it on repeat  
Until I fall asleep  
Spilling drinks on my settee

P: ( Do I wanna Know )  
If this feeling floats both ways  
( Sad to see you go )  
Was sort of hoping that you'd stay  
( Baby we both know )  
That the nights were mainly made  
for saying things that you can't say tomorrow day

R: Crawling back to you  
Ever thought of calling when you've had a few?  
Cause I always do  
Well baby I'm too busy being yours to fall for somebody new  
Now I've thought it through  
Crawling back to you

So have you got the goods?  
Been wondering if you're heart's still open  
And if so I wanna know what time it shuts  
Simmer down and pucker up  
I'm sorry to interrupt  
It's just I'm constantly on the cusp  
Of trying to kiss you  
I don't know if you feel the same as I do  
We could be together if you wanted to

Too busy being yours to fall
