

# Joining The Dots

Arctic Monkeys

1. Try and think of something colourful for this season  
Pull the wool over the gullible for no reason  
You are all i have these days, shake it up and run away  
With the night squabbling behind you

R: From the smoke in your hair to the blood in the bruise  
and the bows on the shoes you kicked off  
I'm joining the dots.  
I'm joining the dots.

2. Thought I heard them talking in their sleep yesterday  
And I tried but I just can't believe a thing they say  
Hurry up they'll be here soon, sleeping in the afternoon  
While the rain's trying to prove a point outside

R: From the smoke in your hair to the blood in the bruise  
and the bows on the shoes you kicked off  
I'm joining the dots.  
I'm joining the dots.  
I'm joining the dots.  
I'm joining the dots.

Those people make me calm, calm the flame  
Come up to the moth for a change  
And darling if it's all the same to you, I'll have you to my  
self  
I'm joining the dots.  
I'm joining the dots.
