Little Illusion Machine (Wirral Riddler)

Arctic Monkeys

Swinging room to room

Planting something new

I've ridden the riddle, I'll do it again

Back to the Wirral where it all began

Wirral riddler

Send a letter to me, baby I'm on the edge of my seat Send a letter to me, baby Little illusion machine

Riding through the gloom Something beautiful

He's ridden the riddle, he'll do it again
He's going back to the Wirral where it all began

Wirral riddler

Send a letter to me, baby I'm on the edge of my seat Send a letter to me, baby Little illusion machine

I tried it and I liked it but It just never gets close enough

Send a letter to me, baby

So tell me where have you been?
(Wirral)
Little illusion machine
(Wirral)
Hoping tonight is going to send me back to you
