Riot Van

Arctic Monkeys

Up rolled the riot van And sparked excitement in the boys But the policemen look annoyed Perhaps these are ones they should avoid

They got a chase last night from men with truncheon's dressed i n hats They didn't do that much wrong, still ran away though for the l augh just for the laugh

Please just stop talking Because they won't find us if you do Oh those silly boys in blue Well they won't catch me and you

Have you been drinking son, you don't look old enough to me I'm sorry officer is there a certain age you're supposed to be? nobody told me

Up rolled the riot van And these lads just wind the coppers up Ask why they don't catch proper crooks Get their address and their name's took But they couldn't care less
