

# The Bakery

Arctic Monkeys

I wish you would have smiled in the bakery  
Or sat on a tatty settee  
At some mutual friend's gathering  
And the more you keep on looking the more it's hard to take  
Love, we're in stalemate  
To never meet it surely where we're bound  
There's one in every town  
Just there to grind you down

I wish I would have seen you in the post office  
Well maybe I did and I missed it  
Too busy with a mind on clever lines  
Why not the rounder's pitch or the canteen?  
You're slacking love where have you been?  
Just had to go and wait until tonight  
(To give me the invite don't worry it's alright)

I wish I would have seen you down in the arcade  
Sipping on a lemonade  
In the paper cup and chewing on the straw  
And I wish I'd seen you in the bakery  
But if I'd seen you in the bakery  
You probably wouldn't have seen me
