

# When The Sun Goes Down

Arctic Monkeys

Who's that girl there?  
I wonder what went wrong  
So that she had to roam the streets  
She don't do major credit cards  
I doubt she does receipts  
It's all not quite legitimate

And what a scummy man  
Just give him half a chance  
I bet he'll rob you if he can  
Can see it in his eyes,  
That he's got a driving ban  
Amongst some other offences

And I've seen him with girls of the night  
And he told Roxanne to put on her red light  
They're all infected but he'll be alright  
Cause he's a scumbag, don't you know  
I said he's a scumbag, don't you know!

Although you're trying not to listen  
Overt your eyes and staring at the ground  
She makes a subtle proposition  
"I'm Sorry love I'll have to turn you down"

He must be up to something  
What are the chances sure it's more than likely  
I've got a feeling in my stomach  
I start to wonder what his story might be  
What his story might be

They said it changes when the sun goes down  
Around here

Look here comes a Ford Mondeo  
Isn't he Mister Inconspicuous?  
And he don't have to say 'owt  
She's in the stance ready to get picked up

Bet she's delighted when she sees him  
Pulling in and giving her the eye  
Because she must be fucking freezing  
Scantily clad beneath the clear night sky  
it doesn't stop in the winter, no

They said it changes when the sun goes down  
Around here  
They said it changes when the sun goes down  
Over the river going out of town  
They said it changes when the sun goes down  
2xAround here

What a scummy man  
Just give him half a chance  
I bet he'll rob you if he can  
Can see it in his eyes that he's got a nasty plan  
I hope you're not involved at all
