

Down To The Wire

Arcwelder

(music arcwelder/words w. graber)
Sign - like the sign of things to come down
To the wire
And if i... minded half of let down
To the wire
[chorus]
I have no fear
I have no pride
I have no right
I do not mind
I was the one who lost this time
I was the one who saw the lie
I have no drive
I have no hate
I do not mind
I was the one who lost this time
And it's like everybody wants a peace that i.. can't
Give - what you wanted to give away for free
Down to the wire
And say - what you wanted to hear next time around
Down to the wire
[chorus]
I have no hate
I have no hate
Down to the wire
