

Dreams... are realities.  
You mean so much to me,  
I can't forget the way,  
The choice that we made that day.  
Brick up the window to block out the world,  
200 sleepless nights ago,  
Is it worth the risk that we take?  
Gambling our youth away,  
Waiting and hoping from the side-lines  
But this is our moment, it's our chance to shine.

'Cause this feels better than the best thing,  
'Cause we are stronger than anything,  
We've grown from all the things we've been through,  
And they couldn't break us if they wanted to.

I see, when I close my eyes,  
Your smile is brighter than the lights in the skies  
Now I put the colour between the lines,  
24 years of biding my time.

'Cause this feels better than the best thing,  
'Cause we are stronger than anything  
We've grown from all the things we've been through,  
And they couldn't break us if they wanted to

Dreams... are realities.  
You mean so much to me,  
Umbillical cell phone, wont you tell me what is real?  
Lets write our names in history,  
Let's make these dreams reality,  
'Cause this feels better than the best thing,  
'Cause we are stronger than anything  
We've grown from all the things we've been through,  
And they couldn't break us if they wanted to. [x3]
