System; Start

Are we ready to begin?

Almost I need to calibrate.
Okay, calibrated.

Subject is responding normally.

Okay let's begin.

Machine start.

Initiating signal, over.

Signal is stable.

Subject is ready.

Machine is up to speed within normal parameters.

Subject is awake. Now is good.

Cassandra can you hear me?

Yes.

Are you ready to begin?

Yes. I'm ready.
