

## 14 Angels

Aretha Franklin

When at night I go to sleep  
14 angels watch do keep  
Two my head are guarding  
Two my feet are guiding

Two to whom 'tis given  
To guide my steps  
To heaven  
To guide me

When at dawn my eyes do wake  
14 angels my peace do take  
Two there are who need me  
Two there are who feed me

Two who sway before me show me  
All I've known  
Is wrong, that I am  
Not me

Two there are to take my soul  
Away from here  
To guide my steps
