14 Angels

Aretha Franklin

When at night I go to sleep 14 angels watch do keep Two my head are guarding Two my feet are guiding

Two to whom 'tis given To guide my steps To heaven To guide me

When at dawn my eyes do wake 14 angels my peace do take Two there are who need me Two there are who feed me

Two who sway before me show me All I've known
Is wrong, that I am
Not me

Two there are to take my soul Away from here To guide my steps
