

# Angel

Aretha Franklin

[Spoken:]

I got a call the other day  
It was my sister Carolyn, sayin'  
"Aretha, come by when you can  
I've got somethin' that I wanna say"

And when I got there she said  
"You know rather than go through a long drawn out thing  
I think the melody on the box will help me explain"

Gotta find me an angel  
To fly away with me  
Gotta find me an angel  
Ooo and set me free

My heart is without a home  
I don't want to be alone  
I gotta find me an angel  
In my life, in my life

Too long have I loved  
So unattached within  
So much that I know  
That I need somebody so  
So I'll just go on  
Hoping that I find me someone  
Gotta find me an angel in my life  
In my life...in my life

I know there must be someone  
Somewhere for me  
Oh I lived too long  
Without the love of someone  
And there's no misery  
Ooooh oooh like the misery  
I feel in me

I gotta find me an angel in  
In my life  
(You'll meet him now don't you worry)  
In my life  
(Keep lookin' and just keep cookin')  
In my life  
(He'll be there, now don't you worry)  
In my life.
