

# Another Night

Aretha Franklin

All my friends have to ask if I'm shattered.  
I say the past is the past and it no longer matters.  
I made my mind up  
I can make it  
I'll be fine  
Even if I gotta fake it.  
I'll keep surviving.

Another night - without you.  
Another night - I know I can get through.  
Another night - it's only  
another night - I won't be lonely.  
Another night - another night  
Another night - it ain't much  
Another night - without your touch.

I used to search through the crowd to find you

But I don't feel like it now  
So don't look behind you.  
You better face it  
I won't be calling

I hit my stride when the evening is falling

I'm gonna make it

Another night - without you...

Out where the music is loud and the people are laughing

I'm gonna step on out  
I won't be down

Gonna stand my ground for just another night  
Oh yes for a another night.

I made my mind up  
I can make it

I'll be fine  
Even if I gotta fake it.  
I'll keep surviving  
Yes  
I will.

Another night - without you.  
Another night - I know I can get through.  
Another night - it ain't much  
I don't need you to be bringing me down
