

# Dark End Of The Street

Aretha Franklin

At the dark end of the street  
That's where we always meet  
Hiding in shadows where we don't belong  
Living in darkness to hide our wrong  
You and me at the dark end of the street you and me

I know that time's gonna take its toll  
We have to pay for the love we stole  
It's a sin and we know it's wrong  
Oh but our love keeps a coming on strong  
Steal away to the dark end of the street you and me

They're gonna find us yes they're gonna find us  
They're gonna find us oh some day  
You and me at the dark end of the street you and me

And when the daylight hours roll around  
And by ten we're both downtown  
If we should meet you just walk right on by  
Oh my darling now please don't you cry  
Tonight we'll meet at the dark end of the street you and me
