## Do Right Woman, Do Right Man

## **Aretha Franklin**

Take me to heart And I'll always love you And nobody can make me do wrong Take me for granted Leaving love unshown Makes will power weak And temptation strong

A woman's only human You should understand She's not just a plaything She's flesh and blood Just like her man

If you want a do right All days woman You've gotta be a do right All night man

Yeah, yeah They say that it's a man's world But you can't prove that by me And as long as we're together baby Show some respect for me

If you want a do right All days woman You've gotta be a do right All night man

A woman's only human This you should understand She's not just a plaything She's flesh and blood Just like her man

If you want a do right All days woman You've gotta be a do right All nights man You've gotta be a do right All nights man
