

Don't Say You're Sorry Again

Aretha Franklin

Please, don't say you're sorry again
Remember our previous said before
Don't say you're sorry again
You'll only hurt me some more

You take such delight
And you think it's alright
In making me blue
I don't complain
Why I've got to be insane
For stringing along with you?

Please, dont, don't say it again
You'll overdo it, overdo it someday
I won't be, I won't believe you and then
There'll be the devil to pay

Well, if that's what you want
Then just say the word
And I'll be on my way
But, please, please, don't say it
Don't say it, don't say it again
Or you'll be sorry someday
