

# Good To Me As I Am To You

Aretha Franklin

If you had a dollar  
And I had a dime  
I wonder, could I borrow yours  
As easy as you could mine?

Because when you need my love  
And I give time after time  
And turn around to find me no returns  
Then, my friend, you've used my dimes

If there's water in the pitcher  
And we both need a drink  
To stay alive, my darling  
I'd need less water than you'd think

My love, my love, these things, I swear, I say are true  
And all I'm really saying is be as good to me as I am to you  
Oh, yeah  
Listen to this

Some people want  
But they don't wanna give  
They can do all of the wrong in the world  
And got the nerve to not understand the meaning of loving me

Starting today  
Tomorrow and forevermore  
If you can't find it in your heart to do for me  
Then, baby, just don't darken my front door

Baby  
I want you to be as good to me as I am to you  
Whoo, baby  
I don't think that's asking you too much to do

Listen  
Don't you walk around here  
Feeling like you can treat me any ol' way  
Using my love, my time, my heart  
Day, day after day

Oh baby, baby  
Be as good to me as I am to you  
Whoo, whoo  
Baby
