

# Honey

Aretha Franklin

I gave you my heart  
An' I gave you my time  
I gave you all of my money  
Anything to keep you satisfy, yeah yeah

But the one thing I didn't count on  
Is that you would do me so bad  
If there's one thing I know, I love you for sure  
I don't understand why you treat me so bad

Honey, yeah, yeah, yeah  
Honey baby  
Honey  
Why do I love you so much?  
Honey  
Why do I love you so much?  
Tell me, tell me, baby

Honey  
Honey baby  
Honey  
Why do I love you so much?  
Honey  
Why do I love you so much?

I gave you the world, baby  
Anything that your heart desires  
And I didn't ask for one thing in return  
I was there for you right down to the wire

So why'd you have to draw me, baby?  
You did everything again  
And where it's comin' from and I still can't let go  
I'm losin' my hair and I don't understand

Honey, honey  
Honey baby, honey baby  
Honey, yeah  
Why do I love you so much?  
Honey  
Why do I love you so much, baby?

Honey  
Honey baby  
Honey  
Why do I love you so much?  
Honey  
Why do I love you so much?

I can understand if it wasn't good enough  
I was too good 'til the end, much too good for you  
Some folks say you just ain't no good  
I try to let go but I still need to know

Honey  
Honey baby  
Honey

Why do I love you so much?  
Somebody tell me  
Honey  
Why do I love you so much?

Honey, honey  
Honey baby  
Honey, honey  
Why do I love you so much?  
So much  
Honey  
So much  
Why do I love you so much?  
Yes, help me, help me, help me, help me

Honey  
Honey baby  
I get weak when I see you  
Honey  
Why do I love you so much?  
Why do?  
Honey  
Why do I love you so much?
