

# I Apologize

Aretha Franklin

If I told a lie, or if I made you cry  
When I said goodbye, I'm sorry  
From the bottom of my heart, dear  
I apologize, oh, oh, oh

If I caused you pain, I know, I know that I'm to blame  
I must have been insane, come on right now and forgive me  
From the bottom of my heart, right now, right now  
Oh, I, oh, I apologize

I realize I've been unfair to you  
Please, please let me make, let me make amends  
Oh, don't say that you, don't say that you forgot the love we knew  
Oh, after all honey, we were more than just friends, oh, oh, right now

If I made you blue, oh baby, don't you know I've had those heartaches too  
And I, I beg of you, to come on right now, come on right now and forgive me  
From the bottom of my heart, right now, right now  
Oh, I apologize
