I Knew You Were Waiting (For Me)

Aretha Franklin

Like a warrior that fights And wins the battle I know the taste of victory Though i went through some nights Consumed by the shadows And was crippled emotionally Somehow I made it through the heartace I escaped I found my way out of the darkness, kept my faith Kept my faith (Chorus) And the river was deep I didn't falter When the mountain was high I still believed When the valley was low It didn't stop me I knew you were waiting Knew you were waiting for me With and endless desire I kept on searching Sure in time our eyes would meet And like the bridge is on fire The hurt is over One touch and you set me free I don't regret a single moment Looking back, when I think of all those disappointments I just laugh, I just laugh (Chorus) So we were drawn together through destiny I know this love we share was meant to be It's Only Love _____ # From Tina live in Europe / Bryan Adams's "So far so good" When the feelin' is ended There ain't no use pretendin' Don't ya worry - it's only love When your world has been shattered Ain't nothin' else matters It ain't over - it's only love And that's all - ya When your heart has been broken Hard words have been spoken It ain't easy - but it's only love And if your life ain't worth livin' And you're ready to give in Just remember - that it's only love You can live without the aggravation Ya gotta wanna win - ya gotta wanna win You keep lookin' back in desperation Over and over and over again When your world is shattered Ain't nothin' else matters It ain't over - it's only love If your life ain't worth livin' And you're ready to give in Just remember - that it's only love Ya - that's all

Ya it ain't easy baby But it's only love - and that's all
