

# I Love Every Little Thing About You

Aretha Franklin

Baby you've been my love and my friend  
You've been here through thick and thin  
For that baby I love  
All I want to do is talk, talk, talk about you

And I'm here to say, yeah  
Gonna love you just a little bit more each day  
Now just want to tell the world  
Tell them that I love you, I love you so, yes I do

Now they didn't put me down because  
Cause I love you, I love you as much as I do  
What it is they didn't know? Didn't know what you've done for me  
You've made such a happy girl out of me

And I'm here to say, yes I am  
I'm gonna love you just a little bit more each day  
And I'm telling the world, I'm telling them  
I'm telling them that I love, that I love you so, yeah, yes I am

I love, I love, I love every little thing about you, baby  
I love, I love, I love, I love, I love every little thing about  
you, baby

They can now to say that I am wrong  
Because my love, my love is strong  
There's only one that I place above  
It's God that I place above you

And I'm here to say, I'm standing right here to say  
I'm gonna love you, love you, love you just a little bit more each day  
And I'm telling the world, I want them to hear  
That I love, I love you, I love you, love you, love you so

I love, I love, I love, ooh, I love, I love every little thing  
about you, baby  
I love, I love, I love, I love, I love every little thing about  
you, baby  
I love, I love, I love, ooh, I love, I love, I love every little  
thing about you, baby  
Ooh, the way you wear your clothes  
The way you stand up and just feel free, go man, I love, I love  
you  
Ooh, I love you, baby, love you, baby, love you, baby, love you,  
baby
