

# I Take What I Want

Aretha Franklin

I take what I want; I'm a bad go-getter, yeah,  
(What you want, get what you want,  
now what you want, get what you want)  
I'm never a loser and I'm never a quitter yeah  
(What you want, get what you want,  
now what you want, get what you want)  
'Cause I take what I want, and baby, all I want is you  
(y-o-u baby, y-o-u baby,)

I've been watchin' you walk by (mhm, mhm, mhm,)  
And I haven't said a word,  
(gonna get you, gonna get you)  
I'm ready to get you right now  
and I'm gonna make you my man  
(gonna get you), Oh yes I am (gonna get you)  
Because I take what I want,  
(mhm, mhm, mhm,) baby, all I want is you  
(gonna get you, yes I am)

Gonna pick you up now, yeah, carry you away  
So you better get ready baby, put yourself together today  
Come on baby, yeah, take me by my hand  
Gonna be your girl and I'm gonna make you my man

(Sweet inspiration)  
I take what I want and I'm a bad go-getter, yeah,  
(What you want, get what you want,  
now what you want, get what you want)  
And I'm never a loser and I'm not a quitter yet  
(What you want, get what you want,  
(no im not) now what you want, get what you want)  
I take what I want, (do you) and baby, all I want is you  
(y-o-u baby, y-o-u baby)

I tell you that I take just what I want now yeah  
(didn't I tell you) and I'm a tough go-getter, yeah,  
(What you want, just get what you want,  
(yes I am) now what you want, just get what you want)  
And I'm not a loser, I'm a tough go-getter yeah  
(didn't I tell you) yes I did (didn't I tell you)...
