

# I Was Made for You

Aretha Franklin

Aretha:

Without you darling I'm no good  
I'm just as hopeless, one sad look  
Your place is here with me, here's your home  
Don't leave me darling, don't do wrong

Aretha:

I was made for you boy, tell me now

Van:

And you were made for me girl, and how

Aretha:

I'm gonna love you forever, I'm by your side

Van:

And I'm your man for life

Aretha & Van:

There's no one for me only you

Van:

I'm glad to hold my love, that's for true  
And think about me baby, I'm here to stay  
Believe me when I say I won't go away

Van:

I was made for you girl, ain't that right?

Aretha:

And you were made for me boy, you know it's tight

Van:

And I'll be there when our love is felt, I'll show you well

Aretha:

Oh, I believe it, and it's well, it's well

Aretha:

I was made for you boy, ain't that right?

Van:

You were made for me girl, you know it's tight

Aretha:

And I'm gonna love you forever, I'm by your side

Van:

And I'm your man for life

Aretha:

Without you darling I'm no good  
I'm just as hopeless, one sad look  
Ooh, ooh, ooh, without you darling I'm no good  
I'm just as hopeless, one sad look  
Without you darling I'm no good  
And I'm just as hopeless, one sad look  
Ooh, ooh, ooh, hey, hey boy  
Van:  
Hey, hey girl
