

# I Wish I Didn't Love You So

**Aretha Franklin**

I wish I didn't love you so, my love for you should have faded  
long ago.  
I wish I didn't need your kiss, why must your kiss torture me a  
s long as this.  
I might be smiling by now with some new tender friend,  
Smiling by now with my heart on the mend,  
But when I try, something in my heart says no.  
You're still there, I wish I didn't love you so.
