

I Wish I Didn't Love You So

Aretha Franklin

I wish I didn't love you so, my love for you should have faded
long ago.

I wish I didn't need your kiss, why must your kiss torture me a
s long as this.

I might be smiling by now with some new tender friend,

Smiling by now with my heart on the mend,

But when I try, something in my heart says no.

You're still there, I wish I didn't love you so.
