

# If You Gotta Make A Fool Of Somebody

Aretha Franklin

If you gotta make a fool of somebody  
If you gotta make a fool of someone  
Do you really have to hurt me  
I'm the one that'll worry about you

If you gotta make a fool of somebody  
If you gotta to make a fool of someone  
Do you really have to hurt me  
I'm the one that loves you, always true

Daytime, nighttime, anytime you call  
I'll rush to your side, anytime you call  
Just to be near you, you know  
Anywhere I go, how could you hurt me so  
Oh

If you gotta make a fool of somebody  
If you gotta make a fool of someone  
Do you really have to hurt me  
I'm the one that'll worry about you

If you gotta make a fool of somebody  
If you gotta make a fool of someone  
If you gotta make a fool of somebody  
And If you gotta make a fool of someone  
If you got to make a fool of somebody  
If you got to make a fool of someone
