

## Just for a Thrill

Aretha Franklin

Just for a thrill  
You changed the sunshine to rain  
Just for a thrill  
You filled my heart with pain

To me you were my pride and joy  
But to you, I was merely a toy  
A plaything, that you could toss around at will

Just for a thrill  
You made my life one sad song  
Just for a thrill  
You just led me along

Although you're free and havin' your fun  
To me you're still the only one  
Cause you made my heart stand still  
Just for a thrill

Although you're free and havin' your fun  
To me you're still the only one  
Cause you made my heart stand still  
Well, it was just for a thrill

And baby you, you, made my heart stand still  
Just for a thrill
