

# Love All the Hurt Away

Aretha Franklin

I see myself in your face  
A reflection of pain  
Somebody made you  
Cry over and over again

Still you and I made it  
Through all of this for a reason  
Yes, we did  
Could it be that we created  
Affair for all seasons

Cause you and I  
Were meant to be lovers  
The search is over for us  
There's no other, we're  
Finally at the rainbow's end  
Baby, together, we'll mend  
All the cracks in our heart  
And love all the hurt away

Woman, you are the thing that I  
Hoped and I prayed for  
You give you love and I'm  
Happy like never before

You be the strength and I'll  
Be your shoulder to lean on  
(You can lean on my shoulder)  
Building a world, fill our  
Whole place with love songs

Cause you and I  
Were meant to be lovers  
The search is over for us  
There's no other, we're  
Finally at the rainbow's end  
Baby, together, we'll mend  
All the cracks in our heart  
And love all the hurt away

Cause you and I  
Were meant to be lovers  
The search is over for us  
There's no other, we're  
Finally at the rainbow's end  
Baby, together, we'll mend  
All the cracks in our heart  
And love all the hurt away

Love all the hurt away  
And love all the hurt away  
Yes, we're gonna love  
We're gonna love, baby  
We're gonna love, love, ohhh  
Love all the hurt away  
Yeah, yeah...
