Aretha Franklin

The sky was blue And high above The moon was new And so was love This eager heart of mine was singing Lover where can you be You came at last Love had its day That day is past You've gone away This aching heart of mine is singing Lover come back to me When I remember every little thing You used to do I'm so lonely Every road I walk along I walk along with you No wonder I am lonely The sky is blue The night is cold The moon is new But love is old And while I'm waiting here This heart of mine is singing Lover come back to me When I remember every little thing You used to do I grow lonely Every road I walk along I walk along with you No wonder I am lonely The sky is blue The night is cold The moon is new But love is old And while I'm waiting here This heart of mine is singing Lover come back to me
