## **My Coloring Book**

## **Aretha Franklin**

In case you fancy coloring books and lots of people do  ${\tt I}$  've a new one for you

A most unusual coloring book, the kind you'd never see Crayons ready, very well, begin to color me

These are the eyes that watched him as he walked away Color them gray

This is the heart that thought he would always be true Color it blue

These are the arms that held him and touched him then lost him somehow

Color them empty now

This are the beads I wore until she came between If you like, color it green

This is the room I sleep in and walk in and weep in and hide in

That nobody ever sees, color it lonely, please This is the man, the one, the one I depended upon You must color him gone

He's gone, color him gone
