

# Never Let Me Go

Aretha Franklin

Just let me love you tonight  
Forget about tomorrow  
My darling won't  
You hold me tight  
And never let  
Never let me go

Cry your eyes  
No tears no sorrow  
Cling to me  
With all your might  
And never let me go

A million times or more  
We said we'd never never never never part  
Ah but lately  
Lately I find  
That you're a stranger  
A stranger in my heart  
Give me give me give me

Give me the night  
In summer or in springtime  
To tell the world  
That you're the you're and you're everything of mine  
And you'll never  
Oh never let me go  
No  
You'll never let me go
