

# Nobody Like You

Aretha Franklin

I've looked around all over town  
And I'm so lonely and so blue  
I've looked around and all over  
But I can't find nobody like you, you, you, yeah

Now, it's all so lonely since you went away  
And I don't know what to do  
I've looked around all over, over  
I just can't find nobody, nobody like you

Tears seem to fall when I'm away, oh, when I'm away from you  
And I've tried to understand the reason why  
And now I know it's all, it's all because I love you, I love you  
so much  
My heart is yours until the day that I die

And oh, why don't you hold me  
Hold me and never, never let me go?  
Why don't you, why don't you love me, love me  
And vanish all thoughts of sorrow?  
I love you, I love you, just can't find nobody like you
