

# One Way Ticket

Aretha Franklin

I remember you've forgotten to remember  
I wonder why  
Baby it was just a (one way ticket to love)  
Ticket to love, mmm (one way ticket)

You were lonely without a friends  
That was when our romance began  
Baby it was just a, just a, yeah (one way ticket to love)  
Ticket to love, uuh (one way ticket)

Like the dew on the mountain  
Like the foam way out on the sea  
Like the bubbles on the fountain  
You're gone forever from me, yeah

I loved you kindly, I loved you so blind  
But I loved you honest and I loved you true  
But maybe baby it was just a, a one way, yeah (one way ticket to love)  
Ticket to love, uh (one way ticket)

Like the dew on the mountain  
Like the foam way out out on the sea  
Like the bubbles on the fountain  
You're gone forever from me, baby don't do it

I loved you kindly, but I loved you so blind  
But I loved you honest and everybody knows I loved you true  
Maybe baby, maybe it was just a (one way ticket to love)  
Grab about, release this (one way ticket)  
Yeah (one way ticket to love, oh oh oh oh, one way ticket to love)  
Yeah, yeah, yeah (oh, one way ticket to love)  
Oh (oh oh oh oh)
