

Sweet Passion

Aretha Franklin

There comes a time, in every woman's life,
When she meets that special someone.

Ooh...

And he makes her feel... like a woman.

OW!

And if you awake all of the fire,

Sweet passion. Yeah...

And I wanna say...

I need you so bad tonight, ooh, baby...

I want you so bad tonight, ooh, darlin'...

I need you so bad tonight, yeah, baby, to

Hold me, yeah...

I need you so bad tonight, ooh, baby...

I want you so bad tonight, ooh, darlin'...

I need you so bad tonight, hey, baby, now;

Hold me, yeah, yeah!

In the mornin', baby, when I rise,

If I can look into your pretty brown eyes...

Hold me close, darlin', hold me tight;

Love me good with all your passion and your might...

I need you so bad tonight, ooh, baby...

I want you so bad tonight, hey, darlin'...

I need you so bad tonight, yeah, baby, to

Hold me, ooh, oh...

Wanna feel your lovin' hot on me;

Kissin' me all over so tenderly, yeah...

Hold me close and let your passion rise;

I'm your woman, baby, through the lows and the highs...

I need you so bad tonight, baby...

I need you so bad tonight, ooh, darlin'...

I need you so bad tonight, yeah, baby;

Hold me, yeah...

Darlin'... I love you. I love you.

With me, you're free to be.

A love that's... understanding, and never demanding.

Feel the fires, feel the fires. Come on.

I wanna taste your lovin', baby, please,

Brings me right on down to my knees...

Do it good, baby, do it sweet;

You're my soulmate, and I sho' am your

I need you so bad tonight, hey, baby...

I want you so bad tonight, oh, darlin'...

I need you so bad tonight, yeah, baby, to

Hold me, yeah, yeah, yeah...
