

# The Tracks of My Tears

Aretha Franklin

People say I'm the life of the party  
Because I tell a joke or two  
Well, although I may be laughing loud and hearty  
Deep inside I'm blue

So take a good look at my face  
You'll see my smile seems out of place  
And if you look closer, it's easy to trace  
The tracks of my tears, I need you, need you

Since you left, if you see me with someone else  
Acting like I'm having big fun  
Well, although he may look fine  
He's not a really man, you're the only one

So take a good look at my face  
You'll see my smile seems out of place  
And if you look closer, it's easy to trace  
The tracks of my tears, I need you, need you

I'm masquerading, my hope is fading  
Since you put me down  
My smile is my make up  
I wear since my break up with you

Baby, take just one good look at my face  
You'll see that my smile seems out of place  
And if you look closer, it's easy to trace  
The tracks of my tears

Oh baby, take just one good look at my face  
You'll see that my smile is out of place  
And if you look closer, easy to trace  
The tracks of my tears, oh

Oh, look at my face  
You'll see that my smile seems out of place  
And if you look closer
