

Think

Aretha Franklin

You better think (think)
Think about what you're trying to do to me
Think... let your mind go let yourself be free
Let's go back - let's go back
Let's go way on to way back when
I didn't even know you
You couldn't a been too much more than ten
I ain't no psychiatrist
I ain't no doctor with degrees
But it don't take too much I.Q.
To see what you're doing to me
You better think (think)
Think about what you're trying to do to me
Yeah think (think - think)
Let your mind go let yourself be free
Oh freedom, freedom, freedom, freedom
Oh freedom, freedom, freedom, freedom

There ain't nothing you could ask
I could answer you but I won't
But I was gonna change you I'm not if
You keep doing things I don't
You better think (think)
Think about what you're tryin' to do to me
Oh-oh-oh think (think)
Let your mind go let yourself be free
People walking around everyday
Playin' games and taking scores
Tryin' to make other people lose their minds
Well be careful you don't lose yours
Oh think (think)
Think about what you're tryin' to do to me
Oh think (think)
Let your mind go let yourself be free
You need me
And I need you
Without each other
There ain't nothin' we two can do
Oh freedom, freedom, freedom, freedom
Oh freedom, freedom, freedom, freedom.....
