

# Together Again

Aretha Franklin

Well, here we are after so many years  
Together again, yes, we're together again  
She's a superstar, ooh and it all gone far, yeah, yeah, yeah  
Together again, we're together again

We've always held on to a little bit of each other  
Together, together, oh  
And we had to be more than friends  
Because we're together again, yeah, yeah  
Together, eh, eh, ooh, we're together

Together, forever, we're back together again  
What a happy reunion, we're back together again

When I look into your eyes  
I can see we were both so happy about it  
And now we're together again, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, we're together again  
And we were meant for each other  
Ah, there ain't no doubt about it  
Now we're together again, together, yeah

Together (we)  
Forever (have come)  
We're back together again (a long way, baby)  
What a happy (we)  
Reunion (have come)  
We're back together again (a long way, baby)

Don't you know by now who you real love your heart?  
Can you tell movies from start  
You've tried the rest, now try the best  
Oh yeah, let's put it to the test  
And I love you, I love you, I love (I love you)  
Ooh sugar, I love you so, yeah  
Together (together)  
Oh, we're together

Together, forever, we're back together again  
What a happy reunion, we're back together again, oh yeah  
Together, forever, we're back together again  
What a happy reunion, we're back together again, oh, oh, oh  
(Together) Together  
(Forever) Together  
(Together again) Together, together, oh yeah  
(What a happy) Together  
(Reunion) Together  
(Together again) Together, together

I ain't, baby, no more, babe, together  
I ain't going to weep no more, no, no, no, no, no, no, no  
Together, together, we're back together again, oh yeah  
(Right here) Together  
(Right now) Right now, right here  
Together (right here)  
Together, yeah (right now)  
We're back together again (together again)

Together, together, together
