

# Watch My Back

Aretha Franklin

Darling, darling, darling  
I wanna know, wanna know, wanna know

Are you gonna watch my back  
Tell me, you know I got your back  
Tell me, are you gonna watch my back  
Tell me, watch my back, watch my back, baby

Are you in love baby?  
We've been hanging, hanging, hanging for a long time now yeah  
Working steady round and round the clock we go  
You know I've got your back and I'm playing

We're living in ever changing times  
So tighten up your game and you know I'll do the same now yeah  
You know I know the score, walk through the open door  
So tell me, you couldn't ask for anything more, yeah

I'm glad I have the time to do things I like do  
So I can show some love to you, and you, and you yeah  
We're in the middle of a perfect fit  
And I wouldn't quit, and mighty fix

Are you gonna watch my back everyday  
Tell me, you know I got your back, do you baby  
Tell me, are you gonna watch my back, oh yes I am  
Tell me, watch my back, watch my back, yeah

Ah now the time is here  
If you're committed  
Concentrate your will, well  
Know I can take the time  
I don't want to move too fast  
You see, I can make it last now yeah  
You can call on me  
Baby, please come to me  
Be all you can be  
Grow strong  
Working we're playing  
We've got it going on  
You know the vibe is strong  
It feels so right that it can't be wrong

Are you gonna watch my back, I wanna know, oh  
Tell me, you know I got your back,  
I wanna, I wanna, I wanna know now  
Tell me, are you gonna watch my back, oh yes I am  
Tell me watch my back, watch my back, yeah

Ooohh

The world is ever changing  
All I really wanna know is are you gonna watch my back  
Are you gonna watch my back

I need you, I need you, need you, need you  
You know it, you know it, you know it

Scatting

Oh I need you baby you know

Are you gonna watch my back every, everyday in every way  
Tell me, you know I got your back, do you baby  
Tell me, are you gonna watch my back,  
When things change I know you're game  
Tell me watch my back, watch my back, baby

Are you gonna watch my back, yes I am, oh yes I am  
Tell me, you know I got your back, I know it  
Tell me, are you gonna watch my back, yeah,  
Tell me, watch my back, watch my back, hey, hey, hey,

I got your back, hey baby, ooh, ooh, ooh, ooh,  
(Do you do you got my back now)  
I got your back, hey baby, ooh, ooh, ooh, ooh,  
(Do you got my, do you got my back boy)  
It's rough out here

I got your back, hey baby, ooh, ooh, ooh, ooh,  
I got your back, hey baby, ooh, ooh, ooh, ooh,  
I got your back, hey baby
