What a Difference a Day Makes

Aretha Franklin

What a difference a day made Twenty-four little hours Brought the sun and the flowers Where there used to be rain

My yesterday was blue, dear Today I'm part of you, dear My lonely nights are through, dear Since you said you were mine

What a difference a day makes There's a rainbow before me Skies above can't be stormy Since that moment of bliss, that thrilling kiss

It's heaven when you find romance on your menu What a difference a day made And the difference is you

What a difference a day makes There's a rainbow before me Skies above can't be stormy Since that moment of bliss, that thrilling kiss

It's heaven when you find romance on your menu What a difference a day made And the difference is you
