

# When You Get Right Down To It

Aretha Franklin

When you get right down to it  
Isn't this moment what it's all about, girl?  
When you get right down to it  
Don't you just feel this moment says everything

Holding you, touching you, girl  
Need a whole life time to do everything  
That I wanna do for you  
With you, to you  
When you get right down to it  
Doesn't this moment wash away the bad times  
When you get right down to it  
Doesn't all the hurt you ever felt disappear  
Holding you, touching you, girl  
Know that the magic just can't last forever but then

When you get right down to it  
Don't you wanna relive the moment  
Again and again and again and again  
And again and again and again and again and again and again

When you get right down to it  
When you get right down to it

Holding you, touching you, girl  
Know that the magic just can't last forever but then  
When you get right down to it  
Don't you wanna relive the moment  
Again and again and again and again and again and again and aga
