

Be My Lover, Be My Friend

Argent

Mmm, be my lover, be my friend
Show me how this day will end
'Cause when you let me, lover, ooh let me go
I don't want no other woman no more

Lord, why can't I breathe?
You're love's so good in me
It's me

Sing it to me

Ooh, baby, ooh, baby
I been feeling so good
I feel so good
Ooh, baby, ooh, baby
Just like I knew you would
Just like I knew you would
I'm feeling good

So good

Be my lover, Lord, I'll be your friend
Oh, sweet woman, 'til my days'll end
Make me your lover, ooh, let me grow
I can't wonder how you love me no more

Oh Lord, how can I rest?
Your love's so good and I feel my best

Ooh, baby, ooh, baby
You're sounding so sweet
You sound so sweet
Ooh, baby, ooh, baby
I can't get my sleep
I can't get no sleep
My, 'cause I'm feeling good
Oh, I'm feeling good
Feeling good
Feeling good
Feeling good

Mmm, I feel like dying, you fed me a lie
Oh sweet woman, I feel I'm dying
Let me, lover, ooh let me touch
I can't wonder how you thrill me so much

Lord, give me the rest
Just your sweet love, I'll do the rest
Come on and thrill me

Ooh, baby, ooh, baby
You're sounding so sweet
You sound so sweet
Ooh, baby, ooh, baby
I can't get no sleep
I can't get no sleep
My, 'cause I'm feeling good

Yes, 'cause I'm feeling good
