

## Free fall

Argent

You say you're free to run wild  
And I think I'm falling down, I'm falling down  
Your words are spinning 'round my head  
I think I'm falling down.

And it's so hard believing you're leaving me now  
When you wanted me from the start  
Or maybe you're just a little angry  
And you're pushing me out of your heart into freefall.

Maybe it's the state that you are  
That you're longing so hard to be free  
But this is throwing our love so far into freefall.

And it's so hard believing you're leaving me now  
When you wanted me from the start  
Or maybe you're just a little angry  
And you're pushing me out of your heart into freefall.

Freefall, freefall  
Freefall, freefall.

I feel like a child whose feelings are hard to hide  
You're running so wild that now I'm confused inside  
Think, you're losing a friend, you're in freefall.
