

Gonna Meet My Maker

Argent

Gonna meet my maker
That's when my time is here
Gonna meet my maker
And I wont she'd a tear
Gonna see God and then
Be born again

Gonna meet my maker
And ask the question why
Why are some left alone
And why the innocent die
Never been to heaven
But I don't care
I know, I know one day

I'm going there
Gonna meet my maker

Gonna meet my maker
Say: Tell me loud and clear
Please tell me maker
Where do we go from here
If I have to be born again
Call me when there's peace on earth
Please wait 'till then
Gonna meet my maker
