

# I Am The Dance Of Ages

Argent

I am the dance of ages  
The drummer and the wine  
Heartbeat in the sand  
Rings inside your hand

I am the body power  
The rhythm of your joy  
The spiral in the air  
The wine inside a prayer

Ride on the rising tide  
Walk on the water  
Spray with each burning day  
High, going higher

I am the shout of thunder  
A cannon in the wind  
Tearing up the skies  
Blinding out the lies

I am the beat of anger  
The temple of your hate  
Horseman in the night  
Hell-hound in the night

Ride on the rising tide  
Walk on the water  
Spray with each burning day  
High, going higher

I am the dance of ages  
The drummer and the wine  
Heartbeat in the sand  
Rings inside your hand

I am the body power  
The rhythm of your joy  
The spiral in the air  
The wine inside a prayer

Ride on the rising tide  
Walk on the water  
Spray with each burning day  
High, going higher
