

# Schoolgirl

Argent

Remember when you were a schoolgirl, schoolgirl  
When we played love games like children do  
And in some games I used to pull your hair  
And other games at your house with no one there

Schoolgirl, schoolgirl - those loveletters that you handed to me  
Schoolgirl, schoolgirl - early Mondays and Sundays for tea  
I must have been a fool not to fall for you  
When you were a schoolgirl

Remember when you were a schoolgirl, schoolgirl  
Those holidays when I showed you what I had  
Remember when your mother caught us there  
My father kept me in for being bad

Schoolgirl, schoolgirl - those loveletters that you handed to me  
Schoolgirl, schoolgirl - you were everything a schoolgirl should be  
I must have been a fool not to fall for you  
When you were a schoolgirl

Schoolgirl, schoolgirl - those loveletters that you handed to me  
Schoolgirl, schoolgirl - early Mondays and Sundays for tea  
I must have been a fool not to fall for you  
When you were a schoolgirl

Remember when you were a schoolgirl
