

Attitude

Argy Bargy

I can't think of a single thing, or give a reason why
I can't offer any excuse no matter how hard I try
I hate your double standards, why do you think that's so?
What happened to your loyalty, how could you sink so low?

It's your attitude, your attitude, your attitude,
Can't you see? Your attitude it's got to me

Try looking in the mirror and tell me what you see
How do you pick the best side of a split personality
You're arrogant beyond belief, morals you have none
Convince yourself that you're okay, it's be okay when you're do
