

# Better Left Unsaid

Ariana Grande

I told you once, "Get out my life.  
I don't need ya, I'll be alright."  
But some things are better left unsaid.

So tell the truth and hit me hard  
A broken heart is all I have now  
But some things are better left unsaid

And I swore that I would never say  
I miss you more every day  
But some things are better left unsaid,  
Are better left unsaid, said, said...

Oh-ooh-whoa-ooh-oh-oh  
I'm gonna say things like, "Shut up and kiss me!"  
Oh-ooh-whoa-ooh-oh-oh  
Tonight I'm gonna lose some things  
Don't play me - just kiss me.

If you wanna party, put your hands up  
Put your hands up put your hands up  
Don't play me - just kiss me.  
Oh-ooh-whoa-ooh-oh-oh  
Tonight I'll say please, don't play me - just kiss me, babe

You tell a lie, blame tonight  
Too many drinks, so many reasons that some things are better left unsaid

And I swore that I would never say  
I miss you more every day  
But some things are better left unsaid  
Are better left unsaid, said, said...
