

Break Your Heart Right Back

Ariana Grande

I should've saw it coming
I should've saw the signs
But I wanted to believe you, trust you
You said you wouldn't lie
But baby you were so good, so good
You had me going blind
You said it was your best friend, I'm guessing
I wasn't your type, hey

What goes around comes around
And if it goes up, it comes down
I know you're mad cause I found out
Want you to feel what I feel right now

Now that it's over
I just wanna break your heart right back, right back
Want you to cry me a river
I just wanna break your heart right back, yeah
All this time I was blind
Running around telling everybody
My baby loves me
My baby loves me
My baby, my baby, my baby loves me

You said I was your best
Would be your last
Now he's gone, you're alone
Don't want you back
You're telling me you're sorry
Well sorry, my friend
Cause I've already been there, done that
Ain't doing this again, no

What goes around comes around
And if it goes up, it comes down
I know you're mad cause I found out
Want you to feel what I feel right now

Now that it's over
I just wanna break your heart right back
Right back
Want you to cry me a river
I just wanna break your heart right back, yeah
All this time I was blind
Running around telling everybody
My baby loves me
My baby loves me
My baby, my baby, my baby loves me
My baby loves me
My baby loves me
My baby, my baby, my baby loves me

You got a man, but your man ain't loyal
Don't understand how to spell it out for you
Yes I'm a G, from the A, and they ask Y
Sorry I had to tell you I'm a nice guy
Naw I'm a sick guy, money too much

I step on stage and girls move too much
The flow so gross, my nickname school lunch
And he with them other guys, you know it's true cause
Ok, G-A-M-B-I-N-O, I know they hate
But I don't know why, uh
I know the way he did you was whack
But I know how you can get dude right back

Now that it's over
I just wanna break your heart right back
Right back
Want you to cry me a river
I just wanna break your heart right back, yeah
All this time I was blind
Running 'round telling everybody
My baby loves me
My baby loves me
My baby, my baby, my baby loves me
My baby loves me
My baby loves me
My baby, my baby, my baby loves me

Oh, yeah, running 'round telling everybody
Oh, yeah, running 'round telling everybody
Oh, yeah, running 'round telling everybody
Oh, yeah, running 'round telling everybody
